NORTHSTAR SPORTS FOUNDATION

Participants of the “**Love of the Game**” program will be provided with a fun and safe atmosphere to introduce them to the game of basketball. As an introduction, attendees will be taught the basic rules of the game and will engage in activities that reinforce the understanding of these rules. As a part of **Northstar Sports Foundation**, a **Non-Profit Organization**, the goal of the program is to create a passion for the culture surrounding the game of basketball and to provide mentorship from older role models who have experienced and pursued their passion for basketball. We firmly believe that even if basketball does not become something in which an individual can excel on the court, there are many other ways to engage positively through the environment created by sports.

Young athletes who excel in this environment will be encouraged to take part in the **Northstar Basketball Academy**, an elite training program which will foster talent and enthusiasm. This next-level program can provide aspiring athletes with a direct pipeline to additional recruitment and exposure opportunities available only through **Northstar**.

If there is a financial obstacle, applications can be made to Jumpstart or Kidsport to assist with costs. Additionally, considerations can be made for those athletes who commit their time to community service or volunteer work; we aim to continue establishing our culture of hard work and celebration of each other’s successes, and this is made possible through the inclusion of any young athlete who is willing to do what it takes to be a part of our community.

WAIVER OF LIABILITY

This agreement releases **Northstar Basketball Academy** and **Northstar Sports Foundation (“Northstar”)** from all liability relating to injuries that may occur during any basketball related activities. By signing this agreement, I agree to hold **Northstar** entirely free from any liability, including financial responsibility for injuries incurred, regardless of whether injuries are caused by negligence.

I also acknowledge the risks involved in competitive sports and sporting events. These include, but are not limited to bodily injury, dehydration and cardiac events. I swear that my child is participating voluntarily, and that all risks have been made clear to me. Additionally, my child does not have any conditions that will increase the likelihood of experiencing injuries while engaging in physical activity. If such conditions do exist, I will provide disclosure of these conditions to **Northstar**, but will assume these risks unto myself and retain all liability for any resulting consequence.

By signing below, I forfeit all right to bring action against Northstar for any reason. In return, my child will participate in the activities hosted by Northstar.
